Your connection to Friends General Conference

Fall Fellowship October 27, 2012

A stimulating half-day program and fellowship with Friends. Often quiet, but never shy, Friends dare to mix what many folks avoid in polite conversation — Religion and Politics. We welcome you to join in!

Quakers and Politics

Join Bill Rogers, former president of Guilford College, for a presentation and discussion of Friends' historic positions on matters of church and state, and Bill's work with Friends Committee on National Legislation (FCNL)
