Dear Friends,

Loving greetings to Piedmont Friends Yearly Meeting from Friends General Conference! We commend to your gentle care Friend Brent Bill who is attending your annual sessions as the FGC staff visitor.

Brent is a member of West Newton Monthly Meeting in Western Yearly Meeting. He serves as the Associate Secretary for Communications, Publications and Outreach for Friends General Conference. Brent is a life-long Quaker and has been involved with various Friends organizations over the years.

As a visitor to your annual sessions Brent will be attending your business meetings and other yearly meeting community events and will be available to answer questions you might have about the services and programs of FGC.

Brent will make a brief report to the staff upon his return. Friends General Conference has found through experience that when we are able to send staff visitors to yearly meetings in session we are not only provided opportunities to share about the work we are doing, but we also learn from Friends how we might better serve them.

We hold you and Brent in the Light and trust that your time together will be richly blessed by the Spirit.

In the Light and on behalf of Friends General Conference,
