A Message to Clerks of PFF monthly meetings and worship groups regarding PFF yearly meeting proposal

Dear Friends

Greetings in this new year of 2012. In mid-December the ad hoc committee on yearly meeting concerns sent a message to all PFF clerks indicating that we would be sending you a concrete proposal on PFF as a yearly meeting and association for your meeting's consideration and response. To that end please find attached/enclosed a draft proposal on PFF as a yearly meeting and association and background documents including:

- A timeline history of PFF's consideration of this matter (2009-present)
- A summary of monthly meeting/worship group responses to queries on interest and benefit of PFF as a yearly meeting (2010)
- Reflections on PFF becoming a yearly meeting/association from called meeting February 2011
- Listing of PFF monthly meetings & worship groups

The committee is asking that meetings give this proposal thoughtful and prayerful consideration in the next few months and prepare a response by sometime in May. We are particularly interested to know:

- Does this proposal speak to the condition/interest of your meeting/worship group?
- Is this a PFF service that would help strengthen and deepen the spirit & life of your meeting?
- Is your meeting interested in participating in the development of a yearly meeting should we be led to proceed in this way?

Indicating interest in the development of a yearly meeting will not obligate your meeting but it will be helpful in gauging possible unmet needs.

Members of the ad hoc committee intend to make themselves available to respond to questions and concerns as you consider the proposal and, as time allows are ready to meet with individual meetings/worship groups should that be helpful.

Below is a list of the committee members and their respective contact information

In friendship

Ad hoc committee:
